

Magic Dust Song

(MAGIC DUST SINGERS)

Wake up, wake up,

It's time to sing! The new year brings

Such magical things

Wake up, wake up

It's a new day, the magical dust

Has come out to play

(16 COUNT MUSICAL BREAK)

Wake up, wake up,

It's time to sing! The new year brings

Such magical things

Wake up, wake up

It's a new day, the magical dust

Has come out to play

Party of the Year

(LYRIC)

Two million followers and counting, sure!
How 'bout tonight we get a million more?
It's the biggest party of the year and you're
not ready for what's in store.
Penny brought her sister to the party - lame.
Sage White is absolutely slaying - same!
Molly Meagler spilled soda all over her pants,
Is anyone surprised? Did you see her try to dance?
She was staring right at Sage
like she even had a chance.

(MOLLY)

Oh! I made a mistake...
Tonight's not going so great,
I should have stayed home.
I made a mess all on myself and now I'm sitting here alone.
Where is Sage, was he looking? Do you think that he saw?
I saw all his pics on BeepBoop and I couldn't find one flaw
I should go...I don't belong,
and now I'm stuck in this corner with these wet pants on-

(PENNY)

You're so annoying-

(PEPPER)

-how much longer til midnight?

(PENNY)

-so annoying-

(PEPPER)

-don't these dance moves look tight?

(PENNY)

-you're so annoying-

(PEPPER)

-Oooh! Who's that by the door? I want another cookie!

(PENNY)

You already had 4!

(PEPPER)

But at midnight I'll be one year older, double digits in 2023!

(PENNY)

Can't wait til you're one year older and make plans that don't include me.

(PEPPER)

Oh! Tonight is so great! I finally can stay out late.

(PENNY)

You should have stayed home!

And cut the cake with mom and dad then I could party alone.

Midnight is almost here, and I brought my little sis to the party of the year.

(LYRIC)

Theo St. Cloud just beeped on the bop!

What's a party without the most popular jock?

I know everybody, you shouldn't be shocked,

I mean he's pretty cool but I'm on the top.

(THEO)

Theo St. Cloud that's me,

the super handsome captain of the football team.

I score a touchdown and the whole crowd screams.

Wake up baby, I'm living the dream.

(FOOTBALLERS)

new year, new season-

new year, new season-

new year, new season-

(THEO)

-we're gonna win-

Midnight is almost here, and I'm the coolest jock at the party of the year

(SCENE - MOLLY KNOCKS LYRIC'S PHONE OUT OF HER HAND, AND LYRIC "BOPS" HER ON BEEPBOOP)

(ALL except Molly)

Hot gos from the bop pod: Molly got bopped

A milli beeps'll fix it if your bopper keeps beeping

I Just Want to Swim

(THEO)

Every man has to decide who he wants to be

Does he follow his heart, or his destiny?

Every lion has a choice - will he make some noise?

Will he finally say - football isn't everything?

(FOOTBALL TEAM)

NOOOOO!

(THEO)

But now I come alive with the perfect swan dive

Like a dream, I can fly under the sea

Can I tell you something...

honestly?

(THEO)

I just wanna swim...

(SWIM TEAM)

Swim away with us my friend,
Swim away with me

(THEO)

In the water I go...

(FOOTBALLERS)

What is going on with him?
What about the team?

(THEO)

I don't care about the weather up here,

In the deep's where I long to be

I just wanna swim,

I just want to be free

(SWIMMERS & FOOTBALLERS)

Oooh, aaah,

Oooh, aaah, oooh

He just wants to swim

He just wants to swim

(MUSICAL BREAK)

(THEO)

I don't care about the weather up there,

In the deep's where I long to be

Little Siblings

(LITTLE SIBLINGS)

We're the little siblings! We are amazing!
They think we're too small, they think we're crazy
But we will rule the world, it's our for taking
We're the little siblings! We are amazing!
We don't need no supervision!
We don't have to ask permission!
To be so awesome, to be so fly!
It's so easy we don't even have to try!!
We're the little siblings! We are amazing!
They think we're too small, they think we're crazy
But we will rule the world, it's our for taking
We're the little siblings! We are amazing!
It isn't easy to be small
But when our backs are against the wall
We will fight! For our right!
To scream and crawl! To scream and crawl!
We're the little siblings! We are amazing!
They think we're too small, they think we're crazy
But we will rule the world, it's our for taking
We're the little siblings! We are amazing!

(PENNY)

I'm sorry, siblings, for being so mean
For not being open to how cool you've been
You're not too little, and I can finally see
That if I look down sometimes you're right here next to me!
And I agree !-

(LITTLE SIBLINGS)

We're the little siblings! We are amazing!
They think we're too small, they think we're crazy
But we will rule the world, it's our for taking
We're the little siblings! We are amazing!

WE ARE AMAZING!

WE ARE AMAZING!

New Year's Dream

(MOLLY)

Sage, I have something to ask you

Why is my heart beating so fast?

Sage, I have something to ask you

But it's hard when you look at me like that

Will you be my valentine

For a sweet New Years Eve?

So divine, your hand in mine,

Looks like we're not out of time

Let it be... a New Year's Dream

(MUSICAL BREAK)

DANCERS suddenly gets interrupted by Christmas Carolers.

(CAROLERS)

Deck the halls with boughs of holly, Fa la la la la la la!

'Tis the season to be jolly, Fa la la la la la la!

Don we now our gay apparel, Fa la la la la la la!

Troll the ancient Yuletide carol, Fa la la la la la la!

See the blazing yule before us, Fa la la la la la la!

Strike the harp and join the chorus, Fa la la la la la la!

Follow me in merry measure, Fa la la la la la la!

While I tell of Yuletide treasure, Fa la la la la la la!

DESTINY

Excuse me! This is not a Christmas musical!

CAROLERS look around, confused.

CHARLIE

Didn't y'all get the memo?

CHRISTMAS CAROLER 1

But LAAPA always does a Christmas musical!?

CHARLIE

Sorry...not this year!

CHRISTMAS CAROLER 2

I'm calling my union rep!

CHRISTMAS CAROLER 1

It's ok guys...let's back it up.

Christmas Characters "back it up" and exit stage.

CHARLIE

(to her phone, as carolers back offstage)

New beep on the boop: Santa's reindeer and friends spotted at Bonne Année's winter formal.

#aretheylost #someonehelpthem

DESTINY

Alright, pardon the interruption everyone, back to the show!

Music Resumes.

You make my heart beat so fast

Everything seems to melt away

When we're dancing and you look at me like that--

Will you be my valentine

Take my hand and keep dancing with me

(MOLLY)

Be my

A New Year's Dream!

Party of the Year (Reprise)

(DESTINY)

Destiny gave the kids a second chance
A chance that they'll never ever get again
Moral of the story is listen to your heart
Or spend the year with the "could-have-beens"
Lesson time is over, so go out and have fun
It'd be cool to kick it with you kids, but my job is done
You've learned you gotta give it everything then still give some
Take a chance... 'cause you only get one

(MOLLY, THEO, LYRIC, PENNY)

You only get one?

(DESTINY)

You only get one!

(ALL)

You better take a chance 'cause you only get one

We only get one?

(DESTINY)

You only get one!

You better take a chance 'cause you only get one

(MOLLY)

I think I know what the lesson is
If you don't love, then you'll never live!

(THEO)

If you just follow your heart and trust
There's a place here for all of us!

(LYRIC)

Hey - I'm sorry for all the trouble
I'm gonna burst out of my online bubble!

(PENNY & PEPPER)

And now I see -

It's you and me

(SAGE)

Talk about a New Year's Dream!

(BAILEY, CHARLIE, JENNY)

Yeah we might make mistakes

But we can break the chains

(ALL)

And dance the night awaaaay...

(DESTINY)

What if, whatever, forget the past, do it better

A gift, a treasure, 'cause right now is forever

(MOLLY, THEO, LYRIC, PENNY)

What if, whatever, forget the past, do it better

Regrets, not ever, right now's a treasure

(ALL)

The party isn't over till we say it's over

The party isn't over till we say it's over

The party isn't over till we say it's over!

The party isn't over till we say it's over!!

(MR. HAMILTON – Voice Over)

Lyric, party's over! Time for everyone to go home!

(ALL)

The party isn't over till the parents say it's over

The party isn't over till the parents say it's over

(ALL PARTY GUESTS)

The party isn't over till the parents say it's over

The party isn't over till the parents say it's over

The party isn't over till the parents say it's over

The party isn't over till the parents say it's over

The party isn't over till the parents say it's over

The party isn't over till the parents say it's over

The party isn't over till the parents say it's over

The party isn't over till the parents say it's over

(MOLLY, THEO, LYRIC, PENNY)

What if, whatever,

Forget the past do it better,

What if, whatever,

Forget the past do it better,

What if, whatever,

Forget the past do it better,

What if, whatever,

Forget the past do it better,

(EVERYONE)

What if? Whatever! Forget the past! Do it better!

Regrets? Not ever! Right now's a treasure!

Right now is all that's real

No matter how you feel

No matter what's to come

Take your chance

'Cause you only get one!
