Giving Thanks for Cheesecake, Concerts, & Everyone at LAAPA!

As I write our December newsletter, it's just a few days before Thanksgiving, and once again I'm already being distracted by the thoughts of turkey and my sister in law's infamous chocolate cheesecake! Indeed, I'm very thankful for cheesecake, turkey and those who prepare it. Whoever first invented cheesecake in particular is a genius in my book. Anywho, back to the newsletter...

Looking back on this year, I'd just like to take a moment to say a huge, "Thank You" to all of our students and parents who have either recently joined our academy or (in many cases) have been studying with us for years. Last year the academy hit it's 1,000 student milestone, and this year we have reached yet another with 1,150 students! Being able to effectively fulfill our mission of spreading the joy of music and dance within our community is such an awesome privilege to us. Of course, we couldn't do it without some of the top music and dance educators and administrative professionals in the New Orleans area. It takes a true talent and commitment to excel in any profession, and our faculty and staff work to achieve this very goal daily. They are undoubtedly our greatest asset. Thanks to all for helping us recognize their hard work by signing the big "Thank You" cards during "Faculty & Staff Appreciation Week!"

One of my greatest joys here at the Academy is being able to see the growth of each student from the time of enrollment to the present. Many times brand new music and dance students come to us and let us know upfront that they aren't really interested in performing in our concerts for one reason or another, and we let them know that's perfectly

fine! However, after taking lessons for a little while and building additional self-confidence, many eventually choose to participate! With 22-23 concerts a year that we hold at LAAPA, there is certainly no lack of performance opportunities, and I can't wait to see what you all have been preparing for our final performances of 2015!

Even if you won't be performing this December, we hope that you can join us to enjoy the many performances from our talented music and dance students! This year we will be holding a record 12 concerts jam packed with over 520 performances - all in two days!

Our concerts for the Covington and Mandeville Schools of Music will be held on Saturday, December 19 at the Fuhrmann Auditorium in Covington. Concerts for the River Ridge School of Music & Dance will be held on Sunday, December 20 at St. Martin's Solomon Theater in Metairie.

Student Concert time assignments will be published within the first week of December at:
http://laapa.com/current_students

In lieu of tickets, each December, our students, faculty, and staff put on a Benefit Concert to support the Teresian Sisters and their Mission in Batesville, Texas. Just 30 minutes outside of Uvalde, Texas, Batesville is a small, impoverished town near the Mexican Border. For more information on the Mission, please visit <http://www.laapa.com/mission>.

Merry Christmas & see you at the concerts!

Student of the Month - Andrew Rucker

River Ridge School of Music & Dance student, Andrew Rucker takes drum lessons here at LAAPA! We recently had a chance to speak with him and learn a little more about his drum lessons and interests!

How long you've been taking lessons at LAAPA?

I've been taking drum lessons at LAAPA for four years now. I used to take piano and guitar a while ago, but then I started drums because I felt like trying something new. The teachers I have had over the years have all taught me a little different technique, and I've enjoyed them all!

What styles of music do you like to play on the drums?

My favorite music is the oldies, Motown, stuff from the 60s...I love to listen and dance to WTIX-FM 94.3! In my lessons, I will sometimes bring in a song that I like to share with Dr. Mark, and then he will teach me how to play it.

What are some of your other interests and hobbies?

When I'm not playing or listening to music, I love to stay active. I'm on a swim team, I bowl in a league at the All Star Lanes in Kenner, and I lift weights at the gym.

What are your goals for the future?

I want to study drums here with Dr. Mark for the next few years. The River Ridge School of Music & Dance is number one! It's the best place in the world!

Student Shout Outs!

"Lessons are awesome! Mr. Chris said he is about 6 weeks ahead of where he's expected to be. I'm serenaded every night!"

~Migliore Family

"Jackson loves lessons so far! He really likes Layla and how easy going and laid back she is. He also enjoys that Layla is interested in teaching him songs that he wants to learn."
