As Spring comes to a close and with Summer being just around the corner, we’re entering our busiest time of the year here at LAAPA!

This month, we will have several long time students who are graduating seniors putting on a Senior Recital on May 17 - 5:30 PM at LAAPA’s Performance Hall - 2020 Dickory Ave. in Harahan.

Our Spring Recital Rehearsals also begin this month and allow all music students who are participating in the June Recitals to put the finishing touches on their pieces with feedback from Senior Faculty members and Directors of the Academy.

The Summer is also an excellent and popular time for new students to get started in music and dance lessons here at LAAPA!

Ah, you know what I mean parents - now that the kids are home most of the day, they’ve got extra time on their hands - and energy! Now that school is out, do your kids follow you around the house each day asking you, “What can I do?,” “What can I do now?”, “I’m bored.?”

How about getting them involved in a music or dance program guaranteed to enrich their summer and creative spirits! Whether you’re interested in our July summer camps or weekly private lessons - we have a program for you!

If your kids enjoy spontaneously bursting out into song and dance - consider our vocal, dance, and/or musical theatre programs!

Do you wake up each morning to the joyful sounds of your son or daughter endlessly pounding away at random notes on the piano? Let us show them how to make beautiful music in your home this summer!

Is your child driving you crazy beating on the kitchen pots and pans? How about drum lessons instead? Guaranteed to put all of that energy to good use! We can also recommend some excellent silent drum sets like we have at our schools for a peaceful and happy home!

Already taking a program with LAAPA? The summer is an excellent time to add a program or increase your weekly lesson time. And don’t forget that this July we will be holding three exciting weeks of summer music and dance camps held at our Mandeville School of Music and River Ridge School of Music & Dance. These camps are especially wonderful for exploring new programs of interest for beginning and current students.

Speaking of our summer camps, each year I often find myself thinking back thirty years ago when I was a student enrolled in camp. My favorite part was snack time (I’d be lying if I said otherwise), but being able to learn about and try so many different instruments and being able to perform with other students on a daily basis was really a great time in my life. And I know that my mother enjoyed having some peace at home for a little while each day!

Whatever you do this summer - don’t just sit around - be creative and enjoy doing something new and fun! I hope to see everyone this June at our main events of the year.

Student News

Allie-Grace Greene, a first grader at Pontchartrain Elementary School, was recently accepted into the Talented Arts Program. The Talented Arts Program is an accelerated program for public school students in the State of Louisiana who, through a state evaluation process, are deemed exceptional in art, theatre, and/or music. Once accepted into the program students are provided accelerated instruction in these areas. Specifically, the Talented Music Program in St. Tammany Parish focuses on teaching music theory, music history and performance skills to the students in the program. Students across the parish also participate in a variety of performances both in school and community settings throughout the year. All students in the program are given the opportunity to participate in the annual St. Tammany Parish Talented Arts Program Festival, held in the fall each school year. Allie-Grace is and is honored to receive this recognition and is looking forward to the experience and learning even more about music! Allie-Grace is a student of the Mandeville School of Music and takes piano/voice lessons with Ms. Rebecca & guitar lessons with Mr. Josh.

Mandeville School of Music student, Matthew Folse, made 1st chair in percussion for West St. Tammany parish honor band. He is a student at Mandeville Middle School.

Covington School of Music student, Beck Tabor’s, Robotics team, “The SS Prometheus”, traveled to the FRC WORLD Championship in St. Louis, Missouri this April. She has been a voice student of Kathleen Anderson since November, 2011.

Student Shout Outs!

“...The lessons are going great! William thinks the lessons are the coolest thing ever! It is so interesting to watch William interact with the students and the various instruments. Bethany is wonderful. She has really helped William follow along with the tempo of the music, which we believe and understand will help him once he transitions into private drum lessons.”

How Does the Summer Work at LAAPA?

As the Summer approaches, we typically receive the following questions each year.

Q. “How do lessons work in the Summer?”

A. The Academy is open year round, and we do not close during the Summer. Your lessons would continue through the Summer. We additionally hold Summer camps each July!

Q. “Do a lot of students stop during the Summer?”

A. While a small percentage of students do take part of the Summer off, June and July are strong enrollment months for new students as parents and students are eager to fill their Summer schedules with lessons and our Summer camps. These students often choose to continue their lessons into the Fall. Just last year, our Summer enrollment grew by 20%!

Q. “How full is the Academy?”

A. The academy has added 170 new students this school year and now has over 1100 students (compared to 930) just last year - the most in the history of the academy since its inception in 1978. As we stress in our newsletters, nearly all of our most popular lesson times from 3 – 7:30 PM are now completely booked.

Q. “If we stop during the Summer, can we keep our spot for Fall?”

A. If you stop lessons during the Summer months, we cannot guarantee that we will have a spot for you in the Fall as your spot will be open to both new students (who begin in the summer) and current students (who may wish to change their time or increase their time). Now more than ever, It is extremely likely that you will lose your day, time, teacher for the Fall.

Q. “If we stop during the Summer, can we still participate in the Spring Recital?”

A. Our Spring Recital will be held this June and is our main event of the year. All students not only perform, but are also nominated for and recognized by their teachers with a full awards ceremony. Only students who are currently enrolled are able to participate in our Spring Recital.

Q. “Can I change my lesson time for the Summer or Fall?”

A. Absolutely. While most schedules remain the same through the Summer, we are more than happy to try and work out a better alternative for you whenever possible. You may call the office at any time should you find that a schedule no longer works for you and we can immediately work on finding something more suitable for you.

Students who take lessons at Kehoe-France Northshore and Stuart Hall will be called and scheduled on our campus closest to you: River Ridge, Mandeville, or Covington.

Q. “If we continue lessons through the Summer to keep our spot, how can we makeup missed lessons due to travel / vacations?”

A. LAAPA is the only school in the area that offers multiple ways to makeup any of your private lessons missed due to traveling WITHOUT giving up your regular lesson schedule.

Option 1.) Just give us a call as usual whenever you will be absent and sign up for one or more of our makeup classes! These makeup classes are offered YEAR ROUND and never expire. Please note that July 1-7 we will be closed for Summer Break so you won’t miss any classes that week.

Option 2.) Take lessons with your teacher online via SKYPE or GOOGLE HANGOUTS! All you need is a WI-FI connection and a laptop, iPhone, iPad, or android device, and you can take your lesson with your teacher anywhere in the world as all of our instructors are now outfitted with iPads in their classrooms!

Option 3.) Sublet your spot to a friend or family member for the Summer. This is always a popular option - as this way you get to keep your spot when you return AND can have someone else enjoy the lessons and your convenient schedule during the Summer! You can send a family member or friend in your place for the dates you will miss. Just let the office know who is coming in your place and when. Make sure that your friend reimburses you directly for the lessons. If you LOVE your teacher, keep your spot by using the Summer make ups or sub lease your spot.
